Campus Activities Magazine® Reader's Choice Awards

Welcome To The 22nd Annual Reader's Choice Awards.

The magazine staff is privileged to bring you the only truly National Competition involving the largest number of campuses nationwide. Overall 4,000+ institutions (colleges and universities) had the opportunity to decide the very best of the CAMPUS MARKET in thirteen individual categories.

Winners from the previous year are ineligible for consideration in the same category they won the year previously.

Voting commenced with the announcement of the nominees in January and ended March 1. The winners follow.....
